D. HARRIS: The next family member is Ron Grantski.

GRANTSKI: You know, I had all kinds of things to say to you, Scott. You don't realize what a great family you had a chance to be a part of. You treated them all like a gob of shit. You are smarter than everyone else. The hardest thing I have to deal with, and there's a few of them, but this is one of them, I keep going back to New Year's Eve, the vigil in the park when everybody is crying, we're all out looking for Laci, your family, our family, friends, people all over the country, and you're on the phone telling your girlfriend that you're in Paris, Listen to the crowd cheer. That's a cold blooded no good son of a bitch. How you can call yourself that you didn't do anything, that you did nothing wrong. How your family can look at you and say you're such a great kid. Something is wrong with you and your family because that is not right. Let alone where Laci was found where you went fishing? You know you did it but you're going to torture your family and everybody else, but you're a lying chicken shit.

JUDGE: Mr. Grantski,

GRANTSKI: That's it.

JUDGE: please don't use profanity.

GRANTSKI: Sorry.
